RE: 30-Day Post-General Report (10/18/12 - 11/26/12)

Dear Ms. Hannan:

This submission is in response to the Commission's request for additional information concerning contributions filed on 48 hour reports prior to the 11/06/12 general election.

The contribution received from Justin P. Christian in the amount of \$ 2,500 on 10/24/12 was filed on 10/26/12 on the report assigned filing ID# FEC-828963, Page 1, Item B. This contribution was reported on the Post-general report on Schedule A, page 10 of 83, Item A. Due to the flourishes in the cursive font used on the check to imprint the name, coupled with a poor image of the check, the middle initial was incorrectly misreported as L instead of P on the 48 hour report.

The contribution received from Ayman Osman in the amount of \$ 1,000 on 10/20/12 was filed on 10/21/12 on the report assigned filing ID# FEC-822711, Page 1, Item B. The contribution check was returned from the bank on 10/26/12. Since the contribution was not negotiated it was not included in the Post-general report.

Please contact me if you require further assistance.

Sincerely,

Timothy J. Moriarty  
Treasurer
